Two police and Indians, at Fort McLeod, had a hostile meeting and one Indian, in his inability, will wing his way to the hunting grounds as the result. Two of the police, while on patrol, constables Alexander and Ryan, came across eight Indians.

These horses were loaded with meat and they had killed. Alexander called on them to halt and their answer was a shot which wounded Alexander in the neck and the lobe of his ear. Ryan promptly fired two bullets through the Indian's head. Alexander went for assistance leaving the wounded Indian. The constables returned and rescued their comrade who was subsequently found in the Indian's camp. The Indian is not expected to recover. Everything is reported as quiet amongst the Indians and no further expected with them.

THE Edmonton rifle association matches started on Tuesday and have been going on all week and fairly good scores have been made. The cold weather of the last couple of days interfered a little with the comfort of the shooters. Full particulars will be given next week.

AMABLE Lamoureux, of Fort Saskatchewan, captured a large eagle a few days ago. The eagle was preparing to attack two live sheep near Mr. Lamoureux's house, when he went out to drive it away. As he stooped down to pick up a stick it swooped down upon him and he seized it by the legs, holding it a prisoner. Mr. Aldwell, of the Imperial Bank, is now the proud possessor of the eagle.

STANLEY Walpole, of the Hudson's Bay Company's service, died on Tuesday, 27th inst., after an illness of about a week. Hopes were entertained for his recovery up to Monday last when he sunk rapidly. He was a native of England and had only been amongst us for a few months, but during that time he had become a general favorite with all who knew him. His relatives in England have the sincere sympathy of the entire community in their bereavement. The funeral left the Hudson's Bay Co.'s fort at 2:30 p.m. on Wednesday and proceeded to All Saints church, where the services were conducted by Rev. C. Cunningham, and from thence to the cemetery. The pall bearers were the officers and clerks of the Hudson's Bay Co. A large number of friends attended the funeral.

SASKATCHEWAN Herald, Battleford: "A few days ago Finlayson & Day had a strange experience while taking their cattle to their winter range at Jackfish Lake. They had got their band, numbering 220 head, on a sandbar within forty yards of the north bank of the river, when most of the band showed a reluctance to take to the water. After a long time had been spent in trying to force them in a portion of the band, including a large number of calves under a month old, made a sudden break for a small sandbar above the one to which they had been taken. No sooner had they got footing on it than they sank out of sight, and nothing was seen except a seething, turbulent agitation of the island. The herdsman thought they had seen the last of their stock, when, in less time than it takes to read this, the current caught the agitated sand and carried it down stream, leaving the cattle swimming in deep water, with not a sign of the island left. All were then safely landed, with the exception of one animal that was smothered in the sand."

EDMONTON BULLETIN, OCT. 31, 1891.

VOLUME XIII.

With this issue the BULLETIN enters on its 13th volume and 12th year of publication. The last year has been an eventful one for Edmonton, as the railway which was looked for so anxiously has become an accomplished fact and placed us in closer communication with outside markets and will afford us a means of marketing our surplus products which previously did not exist. A number of strangers come in on every train, and our country as it becomes better known is attracting a great deal of attention from intending settlers. A large number of people have located this year and there is every prospect of a larger number coming in next spring. In past years it has been the effort of this paper to do everything that lay in its power to assist in the work of building up this section of our country, and in following out this line it has endeavored to advocate the fact that true prosperity is founded on principles of truth and justice. Every endeavor has been made to place a paper before the public which should be representative of and beneficial to the district and worthy of the support necessary to its continuance. As it has endeavored to be in the past, so it will continue to be in the future, and the efforts to publish a good paper will not be relaxed.

THE FOOTBALL MATCH.

The much talked of return match at football, between the Calgary and Edmonton clubs, took place on Tuesday afternoon, on the race track grounds, before a large number of spectators, who went out with the hope of seeing a good game and returned thoroughly satisfied that their expectations had been realized. The teams were as follows:

Calgary—Wallinger, Moore, (capt.), Smith, Joseph, Allan, W. Dod, Winterbottom, Sewell, West, Wilson, Mellon, Moran, Boorne, Aldwell, Randall.

Edmonton—McDonald, Hardisty, McLean, A. Adamson, F. Adamson, W. Edmiston, Young, (captain), McKee, Frame, Fielders, Bremner, L. Adamson, Raymer, Cunningham, Pattison.

Calgary umpire—McKenzie.
Edmonton umpire—W. Wilkie.
Referee—H. Edmiston.

Play was started shortly after 3 p.m. and it was seen at once that the weight of the Edmonton forwards was too much for the lighter forwards of the Calgary team. The magnificent play of Wallinger and Moore, time and again, saved them during the first half hour and when time was called neither side had scored a point. After a few minutes rest, the leather was again started and Edmonton seemed to play with more dash and determination than during the first half hour, and they kept the Calgary backs pretty busy. A try was soon obtained by Edmonton but they failed to kick a goal. Another try was obtained by a fine run in by McLean, but the kick failed again. Shortly before time was called Edmonton secured another try from which a goal was kicked. No further advantage was gained before time was called and the game ended in favor of Edmonton by 5 points to 0.

The Edmonton club entertained their visitors at dinner in the Hotel du Canada where both teams did full justice to the good things provided by Mr. Hetu. The usual toasts were duly honored and a number of capital songs were given. A most enjoyable evening was spent, and the visiting team expressed themselves as delighted with their reception in Edmonton. A number of the Edmonton team saw the boys from the south off on Wednesday's train. Honors are now easy on football, and the next match ought to be a good one.

The financial statement of the club was handed in by the secretary, H. Anthony, and passed, and the meeting was adjourned until next season, when it is expected that Edmonton will put a team in the field that will be second to none in the Northwest. MESSES. H. S. Wood and J. Hudson, from Aberdeen, South Dakota, arrived last week and have taken a look over the Fort Saskatchewan and Beaver Lake country and expressed themselves as being much pleased with what they saw. They state that wheat at Beaver Lake, grown by R. Logan, is superior to any grown in Dakota, and they have decided to move to Edmonton in the spring, and they think it probable that a number of others will come, as they say that many of the farmers in their country have not as much grain of 50 acres as they have seen grown here on three.

J. B. Pilon, who left this district some 3 years ago for the purpose of mining on the Yukon River, returned to his home in Pilon went into the Yukon by way of McKenzie River. He states that the mining on the Yukon has not been sufficiently good during the last two years to encourage men to go there. He saw Wm. Lloyd, formerly of this place, who is now in Montana, and was keeping a hotel at Forty Mile Creek, and was doing very well. Mr. Pilon returned by way of Vancouver and saw no country during his absence that he considers as good as the Edmonton district.
